OBJECTIVE

Motivated junior pursuing a Bachelor of Science in Computer Science, with a strong foundation in software development and proficiency in multiple programming languages. Eager to begin a professional career as a software engineer and contribute to impactful projects across diverse fields.

EDUCATION

Texas State University

Texas, San Marcos

Bachelor's of Science in Computer Science

Expected Graduation, Dec 2026

- **Concentrations:** Machine Learning, Back end, Front end
- **Related Coursework:** Data Structures and Algorithms, Object-oriented Design, HTML and CSS, Advanced C++ programming, Introduction to Python I & II, Assembly language, Github pull request & push

Harvard University.

Certificate in Introduction to Computer Science

Completion, July 2023

- **Concentrations:** Computer Science Fundamentals, Software Development, Web Programming
- **Related Coursework:** C Programming, Algorithms, Data Structures, Python, HTML/CSS, SQL, JavaScript

PROJECTS

Personal Portfolio Website

December, 2023

HTML, CSS, and Java Script

Developed a responsive personal portfolio website featuring a navigation header that allows users to explore sections such as Home, About Me, Skills, Work, Experience, and Contact. Designed and implemented the layout using HTML and CSS, with interactive elements built in JavaScript.

TicTacToe Game

April 2024

C++ with Raylib

Implemented a fully interactive TicTacToe game with multiple gameplay modes, including Forget mode(Removes oldest symbol) and Random Mode (removes a random symbol). Added docstrings, edge case handling, and program documentation, while ensuring clean, maintainable logic through object-oriented design and debugging practices.

Shopping Cart Web Application

August, 2025

HTML, CSS, and Java Script

Built a dynamic e-commerce cart system using **HTML, CSS, and JavaScript (ES6 modules)**. Implemented product rendering from a data file, interactive add/remove item functionality, quantity updates, and localStorage persistence for cart state. Designed responsive layouts with media queries for mobile and desktop views, and developed a checkout page that calculates totals and tax in real time.

WORK EXPERIENCE

Lowe's

Texas, Hutto

Lumber CSA

Aug 2023-Current Date

- **Tasks:** Data
- **Skills:** Customer Service, Safe working, Great communication, Use of registers, Team work, Seated and Stand up forklift certification.
